

1. I Pamela Rudenia Caldwell claim that the equine created with this pattern is a decoration used inside the home or business to promote sales of particular items. The rockers are strictly optional.
- 5      2. An artificial animal comprising:
- a backbone piece;
  - four leg pieces attached to said backbone piece;
  - a malleable, hollow frame attached to the backbone piece and said four leg pieces;
  - stuffing filling the malleable, hollow frame; and
  - cloth covering the malleable, hollow frame.
3. The artificial animal of claim 2, wherein the backbone piece is rebar.
  4. The artificial animal of claim 2, wherein the backbone piece is wood.
  5. The artificial animal of claim 2, wherein said four leg pieces are rebar.
  6. The artificial animal of claim 2, wherein said four leg pieces are wood.
  7. The artificial animal of claim 2, wherein said malleable, hollow frame is wire.
  8. The artificial animal of claim 2, further comprising webbing attached to the hollow, malleable frame.
  9. The artificial animal of claim 8, wherein said webbing is formed of six conductor wire.
  10. The artificial animal of claim 7, wherein said wire is 10aw electrical wire.
  11. The artificial animal of claim 2, further comprising connecting wire connected to the hollow malleable frame.

12. The artificial animal of claim 10 wherein said connecting wire is electric fence wire.
13. The artificial animal of claim 4, wherein said wood is a wooden dowel.
14. The artificial animal of claim 2, further comprising rockers attached to the four leg pieces.
15. An artificial animal comprising:
  - a pole;
  - a malleable, hollow frame attached to the pole;
  - stuffing filling the malleable, hollow frame; and
  - cloth covering the malleable, hollow frame.
16. The artificial animal of claim 15, wherein said malleable hollow frame forms an animal head.
17. The artificial animal of claim 16, wherein said animal head is a horse head.
18. The artificial animal of claim 15, wherein said malleable, hollow frame formed of wire.
19. The artificial animal of claim 15, wherein said pole is wooden;
20. The artificial animal of claim 15, wherein said artificial animal is a hobby horse.
21. The artificial animal of claim 15 further comprising webbing attached to the malleable, hollow frame.
